I should say something about thinning. The instructions on a bottle of Testors ModelMaster Airbrush Thinner say to thin 3 parts paint to 2 parts thinner. I read a thread on the Britmodeler forum here where a fellow who used to make a living painting cars wrote that paint should be thinned as much as 1 part paint to 9 parts thinner. The most ...

A glossy paint has the highest amount of sheen as it reflects the most light. It is the most durable among all the other paint finishes and is the easiest to clean. But like other shiny paints, a glossy paint is not good for concealing cracks or bumps, so don't scrimp on the primer before using this kind of paint as a topcoat.

House Painting Concord Means Choosing the Paint Sheen ...

Custom Painting Articles May 3, 2020 There are many options when a homeowner decides the outside of the home needs a new coat of paint. One of the most common options is to choose to hire someone to do the work.
