## **Chapter 2 1 The Nature**

In Chapter 2, Locke explains the state of nature as a state of equality in which no one has power over another, and all are free to do as they please. He notes, however, that this liberty does not equal license to abuse others, and that natural law exists even in the state of nature.

Concerned initially with how we reflect on solitude, the stars, and the grandeur of nature, this chapter turns from the universal world, symbolized in the stars that Emerson views at night, and focuses on how we perceive objects around us. Emerson speaks of the landscape in which he walks and how he, as a poet, can best integrate all that he sees.
