Statistics and Decision Sciences: Classical and Modern Regression with Applications by Raymond H. Myers (1990, Hardcover) The lowest-priced item in unused and unworn condition with absolutely no signs of wear.

**The Duxbury Advanced Series in Statistics and Decision ...**

The Assumptions of the Classical Regression Model. Assumptions of the Regression Model. These assumptions are broken down into parts to allow discussion case-by-case. The first assumption, model produces data, is made by all statistical models. That's what a statistical model is, by definition: it is a producer of data.
