Coaching and Mentoring: Theory and Practice / Edition 1 by ...

The terms coaching and mentoring are considered as two areas of practice have large areas of commonality and overlap. Mentors are often more effective if a coaching style is adopted where appropriate (Darwin, 2000). This was particularly the case for the mentors studied here, who were helping their mentees to prepare for a return to the workplace.

International Journal of Evidence-Based Coaching and Mentoring, 3, 2.). Hearn (2001) suggests that coaching may be useful in reducing stress as it can help identify stressors, find permanent solutions, and maintain these changes. Interestingly, in multiple studies, quantitative measures of stress found no change after completion of coaching.
