Countryfile Adams Farm My Life

Adam gives a detailed, but very interesting account of his life on the farm in the Cotswold. Not only this he gives background information and detail on the decisions needed to be made in running not only a country park, rare breed animals, but a viable arable farm. This arable farm is the back bone of his income.

Adam Henson - Wikipedia

When we were young, my father gave all four of us kids a different breed of animal. His plan was to pass on his life-long passion for rare breed conservation. As always, Dad proved himself to be a wise man. His plan worked, as we all developed a real attachment to the beasts we called our own.

Adam's Farm Animals: Exmoor ponies - Countryfile.com

A wonderful look at the life of a British farmer. Adam tells us the highs and lows of farming as well as explaining the reasons behind many of the decisions many farmers have to face. Its a wonderful book for anyone who wants a peek into the life of a modern farmer trying to survive in a fast food world.
