### Free Trade Nation Commerce Consumption

" Free Trade Nation is history at its best: far-reaching and authoritative, its story of the rise and fall of free trade as a widely-held belief marked by justice, fairness, and peace provocatively refashions the history of early-twentieth-century Britain, reminds us of an age when popular politics exerted real power, and forces us to rethink our contemporary views of consumers, markets and morality."--John Brewer, California Institute of Technology

### Amazon.com: Free Trade Nation: Commerce, Consumption, and ...

Free Trade Nation follows the creation of this culture in nineteenth-century Britain, and its subsequent unraveling in the First World War and the depression of the 1930s, when consumers and internationalists, labor and business now attacked it for sacrificing international stability and domestic welfare at the temple of cheapness. These successful attacks marked the end of a defining chapter in history.
