Bullying . Bullying is another form of social exclusion that can be particularly hurtful. Bullying can take many forms, from physical aggression to intimidation to subtle behaviors which may not be obvious to outside viewers. Bullying may also occur after school hours, at home, or in the community.

Social Exclusion and Bullying in Children

Posted on October 2, 2018 To succeed in school, it is essential to feel safe. Beyond making kids feel unsafe, bullying also impacts students' ability to learn, their physical and mental health, and can lead to more violent behavior. In this post, we will take a closer look at bullying in middle schools and how educators can lead effective anti-bullying programs.
