We are a general bookseller, free access download ebook. Our stock of books range from general children's school books to secondary and university education textbooks, self-help titles to large of topics to read.

Good Earth Study Guide Answer

It might be tempting to condemn O-lan for smothering her infant, but it is necessary to consider her circumstances. She is already the mother of two sons and a daughter, and the family is living under the burden of a terrible famine; they are in danger of starving to death, and the newborn baby is likely to die a much more painful death by starvation, should she live.
