GREAT TEACHERS - World Bank

They should engage their teachers in ongoing, dynamic dialogue. This dialogue should be continuous especially for those teachers who need improvement. School leaders should want to build engaging, trusting relationships with their teachers. This is essential for improving teacher quality.

How School Leaders Can Improve Teacher Quality

A great teacher does not make it a secret that they care. Go the extra mile. Motivating students by encouraging them, rewarding them and getting them involved shows your students that their teacher is vested in their education. Do the best job you can to teach your students and they will notice.

Teachers Care

A final chapter analyzes the politics of recent major teacher reforms in Chile, Peru, Ecuador and Mexico, chronicling the prominent role of teachers' unions and the political and communications strategies that have underpinned successful reforms."Latin American Development Forum: Great Teachers: How to Raise Student Learning in Latin America ...
