Home Link 1-12 Introducing Addition In Unit 2, your child begins learning strategies for solving addition problems. Children create a class "Strategy Wall" that lists all the strategies they learn and practice. Strategies covered in this unit include counting on, using the turn-around rule, and using pairs of numbers that add to 10 (such as 3 and 7, or 9 and 1).

HomeLink

Before beginning this Home Link, review the vocabulary from the Unit 2 Family Letter with your child: number story, label, unit box,and number model.Encourage your child to make up and solve number stories and to write number models for the stories. Stress that the answer to the question makes more sense if it has a label.
