Kundalini: The Evolutionary Energy in Man: Gopi, Krishna ...

Coiled like a snake at the base of the spine, kundalini is the spiritual force that lies dormant in every human being. Once awakened, often through meditation and yoga practices, it rises up the spine and finds expression in the form of spiritual knowledge, mystical vision, psychic powers, and ultimately, enlightenment. This is the classic first-person account of Gopi Kris.

Kundalini is an energy that exists in everyone's body, usually in a dormant state. This means that most people never feel it and never know it is there. But in a very few people, perhaps one in one thousand, this energy becomes aroused, activated. This can be a happy event or it can be scary and disruptive, depending on whether you aroused your kundalini on purpose or by accident.
