Preface - Learning React Native, 2nd Edition [Book]

Learn the Basics. React Native is like React, but it uses native components instead of web components as building blocks. So to understand the basic structure of a React Native app, you

Download File PDF Learning React Native 2e

need to understand some of the basic React concepts, like JSX, components, state, and props. If you already know React, you still need to learn some React-Native-specific stuff, like the native components.
