### **Power, Law, and Maritime Order in the South China Sea ...**

James Kraska. Description. In Maritime Power and the Law of the Sea: Expeditionary Operations in World Politics, Commander James Kraska analyzes the evolving rules governing freedom of the seas and their impact on expeditionary operations in the littoral, near-shore coastal zone. Coastal state practice and international law are developing in ways that restrict naval access to the littorals and associated coastal communities and inshore regions that have become the fulcrum of world geopolitics.
