SB-562, was introduced before the California legislature in February 2017 by State Senator Ricardo Lara. This study provides an economic analysis of the proposed measure.

Economic Analysis of the Healthy California Single- Payer ...

On June 1, the California Senate voted to advance SB 562, which would establish

Get Free Sb 562 Analysis California

a single-payer healthcare system in the state. Under the Healthy California Act, the state government would directly pay hospitals and doctors, effectively replacing private insurance companies. While this “Medicare-for-all” system might sound promising, funding it could be nearly impossible.
