It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

### Study Rowen Of Rin Lesson

This week we began a novel study on the book Rowan of Rin by Emily Rodda. This is an adventure story that usually appeals to boys aged 9-12 and can be that motivator that hooks them into reading. Emily Rodda is brilliant at crafting stories that appeal to reluctant readers. Another of hers that I love is Finders Keepers.
