The Status Of Customary International

Acces PDF The Status Of Customary International Law Treaties Agreements And Semi Official Or Official Agreements In

Customary international law is an aspect of international law involving the principle of custom. Along with general principles of law and treaties, custom is considered by the International Court of Justice, jurists, the United Nations, and its member states to be among the primary sources of international law. Many governments accept in principle the existence of customary international law, although there are differing opinions as to what rules are contained in it. In 1950, the International L

Customary international law - Wikipedia

Treaty and customary international law are the two main sources of international law and their relationship remains a controversial topic, Tan explains. 'Generally speaking, the two sources have different binding force. A written treaty is binding upon States Parties to it, while an unwritten customary rule is binding on all states.'
