The World Without Us

Online Library The World Without Us

In "The World Without Us," Alan Weisman offers an utterly original approach to questions of humanity's impact on the planet: he asks us to envision our Earth, without us. In this far-reaching narrative, Weisman explains how our massive infrastructure would collapse and finally vanish without human presence; which everyday items

- **IMDb**

In *The World Without Us*, Alan Weisman attempts to answer the question of what would happen to the earth if, for whatever reason, humans were to completely disappear tomorrow. While it's a fascinating premise, one that Weisman undoubtedly put a lot of time and effort into, the execution falters.
