Joe Satriani - What Happens Next - Amazon.com Music

What Happens Next is the story of 55 year old businessman Paul Grecco, who has sold his company only to find himself retired by the new owners on the day of the sale. With a successful career behind him, Paul finds himself with plenty of money and time and no idea what to do to fill in his days.

Amazon.com: Watch What Happens Next | Prime Video

What Happens Next is a heartfelt and emotional story that felt real and honest. I'm not going to lie, I was a little nervous picking this up because of the subject matter, but I thought it was dealt with in tasteful and realistic way. I can't believe this was Colleen Clayton's debut novel, because the writing felt like it came from

What Happens Next quiz - funny clips

What happened next is important context for the story. Without it, you have no idea how much gravity these decisions carried with them. If your friend abandoned those commitments almost immediately and has since moved on to other interests, there's not much left to say about what they started. Starting was all they did. Nothing happened next.
