Mehmet Oz and Michael Roizen, two powerhouse doctors in both the medical profession and in the media, have made a virtual cottage industry around the YOU series. They team up once again to bring us this updated edition of You: The Owner's Manual - the audio you should listen to before you listen to any other audiobook. The doctors have included a new chapter on the liver and pancreas, which will finally demystify the most exotic part of our bodies; a new workout chapter; and a Q & A.

Between your full-length mirror and high-school biology class, you probably think you know a lot about the human body. While it's true that we live in an age when we're as obsessed with our bodies as we are with celebrity hairstyles, the reality is that most of us know very little about what chugs, churns, and thumps throughout this miraculous, scientific, and artistic sys

Most iPad users are now on iOS 9, so if you are unsure of your version, download the iOS 9 manual. These manuals are geared more towards the operating system than the actual device. If you haven't updated the operating system, find your iPad in the list and use the manual appropriate for that model.
